

The SCOPE (Supportive, Captivating, & Original Programs & Experiences) This Program encourages people of all abilities to participate in recreational programs and activities. The mission of SCOPE is to provide specialized support and recreational opportunities to people with disabilities. Our vision is to enrich lives and create experiences that are memorable, empowering, fun and safe for all participants.

SCOPE: Bowling

This program is designed to give each participant an opportunity to enjoy a leisure activity that provides fun and excitement for years to come. Participants should have a basic knowledge of bowling because no instruction is given. Each bowler will be participating at his/her own pace.
